

## ASSOCIATION OF FRIENDS OF THE FMSH DONATE NOW

Dear Friends, dear Colleagues,

You have been kind enough to join the Association of Friends of the FMSH, and we thank you sincerely for that. As you know, the membership is free of cost.

However, a number of our members have decided to support our action by sending us a donation. In 2014, we have contributed to finance *Penser global*, a book that brings together the most significant papers presented at the international conference organised for the 50<sup>th</sup> anniversary of the FMSH.

In 2015, donations have enabled us to support the homage paid to the great sociologist Ulrich Beck, within the Foundation, by the Collège d'études mondiales of which he was a member. In 2016, we have been able to support the international conference "Recréer le monde" (*Re-creating the World*) held in Paris. In 2017 we have contributed to the celebration of the birth centenary of Clemens Heller, who did so much for the expansion of the Foundation, and we have supported the publication of a trilingual volume: *Clemens Heller, impresario des sciences de l'homme*. We have also provided financial support to the 'National Programme for the urgent aid and reception of scientists in exile', which hosts in France scholars who had to leave their country because of war or under pressure of authoritarian regimes. As a testimony of our gratitude, donators have received a book of their choice published by FMSH Publishing house.

We would be very grateful if you would consider a donation for helping us to carry on similar activities in 2018.

The standard donation for being Donor Member is 150 euros (66% tax-deductible in France) for individuals or 1,000 euros (60% tax-deductible in France) for corporate entities, but all donations are welcomed.

Donations can be made:
